AUDI A8 D4 (4H) "SR 8 - Line" (built from 2010 -) - all engines and versions -				
car body & accessory				
HF 8751	"SR 8-Line" front bumper for Audi A8 - design similar to the OEM "RS" look, for cars with or without Parktronic The original front grill can be used along the bumper. Alternatively the upcoming "S8" front grill can be used as well. Additionally needed are the "RS 5" mesh inserts (article number HF 8752), these are especially prepared to fit the bumper. If the car is equipped with ACC and / or night vision you need a special version of the mesh inserts (HF 8572-ACC).	HPG	1 piece	1.585,-
HF 8750-TÜV	TÜV-approval for the front bumper Not needed for export.		1 set	237,-
HF 8752	Needed for HF 8751: "RS 5" mesh inserts, one set (two pieces) with one mesh inserts for the left and for the right side of the bumper.		1 set	145,-
HF 8752-ACC	Needed for HF 8751: "RS 5" mesh inserts for cars with ACC and / or night vision, one set (two pieces) with one mesh inserts for the left and for the right side of the bumper.		1 piece	269,-
HF 8753	rear apron with openings for 4-tube tailpipes, two-piece part the rear apron replaces the serial rear apron and is attached to the original rear bumper. The rear apron has two big openings for the oval double tailpipes HF 8758. The lower diffuser part is removable. We recommend to paint this diffuser with silver or anthracite colour (depending on the cars colour). This diffuser part is also available in carbon (see offer below).	HPG		1.159,-
HF 8757	rear trunk spoiler one-piece rear trunk spoiler. Glue fitting (glue included). The spoiler has to be painted.	HPG		490,-
HF 8758	4-tube sport tailpipes oval interlaced, stainless steel set with two double tailpipes, have to be welded to the original muffler. Especially made for the use along the rear apron HF 8753. Can be used for cars with Diesel and Otto engines.	E		549,-
carbon parts				
HF 8753-CB	like HF 8753 but the removable rear diffuser is made of carbon rear apron with openings for the 4-tube tailpipes, two-piece part the rear apron replaces the serial rear apron and is attached to the original rear bumper. The rear apron has two big openings for the oval double tailpipes HF 8758. The lower diffuser part is covered with real carbon and multiple layers of clear coat.	HPG + CB	1 piece	1.870,-
HF 8757-CB	carbon rear trunk spoiler one-piece rear trunk spoiler. Glue fitting (glue included). The spoiler is covered with real carbon and multiple layers of clear coat.	CB	1 piece	990,-
