Base: VW Phaeton Typ 3D (from year 2002 -)
Hofele "Mythos" Limousine
 Totally different luxurious look of the basic car VW Phaeton.
 All VW-logos are removed from the car.
Luxury Design for a Luxury Car, which base is the Bentley Continental.

Body kit parts & accessories

HF 6851	"Mythos" front facelift kit, consists of: - front bumper for cars with and without headlight washer system and with or without PDC / Parktronic, including mesh inserts - fog light set for the front bumper - chrome front grill in classic "British" sport mesh optics (Bentley-Look) - bonnet extension piece , has to be glued to the bonnet and sealed, holds the front grill	-	HPG	1 piece
HF 6853	"Mythos" rear apron with integrated tailpipes. Rear apron as addition to the serial rear bumper with one trapezoidal stainless steel tailpipe per side. The smoke does not go through these tailpipes as it emits through the original tailpipes. Gives the car a significant Luxury Line.		HPG	1 piece
HF 6854	"Mythos" rear door panel with integrated spoiler lip. Completely covers the VW badge. The rear door panel has a recess which can hold the Hofele bear logo. The trunk / boot opener is still accessible. Gives the car a significant Luxury Line.		HPG	1 piece
HF 6855	stickers "Mythos Royal 6", "8" or "12" (depending on the amount of cylinders)			

Interieur design

	Interior design "Bi-Colour"-leather for the seats: two front seats and the back seat row (alternativ two single back seats). The middle area of the seats are stiched in the classic diamond pattern (similar to Bentley). Different colours and combinations are possible.			1 set
