| HF 3181 | LS until 2009 (Sport) | x | x | RovLS | x |
| HF 3281 | LM/LS from 2010- (Sport + Vogue) | x | x | RovA | x |

incl = PAP-plug is included

X = no PAP-plug available for this modul

Attention - only for Land Rover:

possible for cars from 2007 onwards: in VIN it is the number before the A

example: VIN: SALLSAA648A153770, the number before the A is

a "8", so it is built in year 2008.
